

## Aretha Franklin medley

### Think

Think You better think	Think Think
about what you're trying to do to me	Think Think,
think	
Let your mind go, let yourself be free	
Let's go back, let's go back	
Let's go way on, way back when	Way back
I didn't even know you	
You couldn't have been too much more than ten	
Just a child I ain't no psychiatrist, I ain't no doctor with degrees	
But, it don't take too much high IQ's	
To see what you're doing to me	
You better think	Think Think
about what you're trying to do to me	
Yeah, think	Think, think
Let your mind go, let yourself be free	
Oh, freedom	Freedom
Let's have some freedom	Freedom
Yeah freedom, yeah freedom, right now	
Freedom	Freedom
Oh freedom	Freedom
You need some freedom, oh freedom	

### I say a Little prayer for you

The moment I wake up	
Before I put on my make-up	Make-up
I say a little prayer for you prayer for you	
And while I'm combing my hair now	
And wond'ring what dress to wear now	Wear now
I say a little prayer for you	prayer for you
Forever and ever, you'll stay in my heart and I will love you	
Forever and ever, we never shall part. Oh, how I'll love you	
Together forever that's how it must be. To live without you	
Would only mean heartbreak for me	

### Natural Woman

Do,		
Looking out on the morning rain	Ahoo	Do padoo, do padoo
I used to feel so uninspired	Ahoo	Do padoo, do do do do
And when I knew, I had to face another day	Ahoo	Do padoo, do padoo
Lord, it made me feel so tired	Do	Padoo
Before the day I met you, life was so unkind		
But your the key to my peace of mind		
Cause you make me feel		
You make me feel		
You make me feel like a natural woman,	woman	
Oh, baby, what you've done to me	What you've done to me	
You make me feel so good inside	Good inside	
And I, just wanna be,	Wanna be	
Close to you you make me feel so alive		
You make me feel	You make me feel	
You make me feel like a natural woman,	woman
