

Shivers – Ed Sheeran

I took an arrow to the heart
I never kissed a mouth that tastes like yours
Strawberries and somethin' more
Ooh yeah, I want it all

Lipstick on my guitar (ooh)
Fill up the engine, we can drive real far
Go dancin' underneath the stars
Ooh yeah, I want it all

Mm, you got me feelin' like
I wanna be that guy, I wanna kiss your eyes
I wanna drink that smile, I wanna feel like I'm
Like my soul's on fire, I wanna stay up all day and all night

Yeah, you got me singin' like
Ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back
And we'll say, ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back

Into the car
On the backseat in the moonlit dark
Wrap me up between your legs and arms
Ooh, I can't get enough
You know you could tear me apart (ooh)
Put me back together and take my heart
I never thought that I could love this hard
Ooh, I can't get enough

Mm, you got me feeling like
I wanna be that guy, I wanna kiss your eyes
I wanna drink that smile, I wanna feel like I'm
Like my soul's on fire, I wanna stay up all day and all night
Yeah, you got me singin' like

Ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back
And we'll say, ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back

Baby, you burn so hot
You make me shiver with the fire you got
This thing we started, I don't want it to stop
You know you make me shiver-er-er
Baby, you burn so hot
You make me shiver with the fire you got
This thing we started, I don't want it to stop
You know you make me shiver
Yeah, you got me singin' like
Ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back (oh no)
And we'll say, ooh, I love it when you do it like that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back, hey
