Start the day with a positive affirmation.
 Set the tone for the rest of the day.
 Watch out your self-talk and your negative thoughts,
 stay in the present moment.

Things are not always black or white!
 There is always something in between!
 Look what's around you and enjoy your life,
 We are in this together!
 Watch out your attitude!

Refrain:
 Build up your positive currency!
 Record your positive currency!
 Forgive Your Past Mistakes!
 Don't play the losing games,
 You need to take a real action
 What is your attitude?

We wanna show you how we see the world (Look around!)
 We wanna share with you what we found (Sing with us!)
 If you could try to - drop the guards that you have,
 you might be feeling joy too!

Refrain:
 Build up your positive currency!
 Record your positive currency!
 Forgive Your Past Mistakes!
 Don't play the losing games,
 You need to take a real action
 What is your attitude?
